I AM TRULY SADDENED TO HEAR THAT OUR GOVERNOR, A GOVERNOR THAT WE'VE BEEN TOLD HAS HAD DISABILITIES AND HARDSHIPS OF HIS VERY OWN - IS PLANNING ON MAKING CUTS TO THESE CAUSES - New opportunities has been my lifeline, the organization to help end POVERTY ! WHAT REALISTIC CUTS CAN THE GOVERNOR MAKE- THEREMUST BE MONEY BEING WASTED SOMEWHERE'S ELSE- ASSESS STATE EMPLOYEES JOBS AND THEIR PRODUCTIVITY - THEN TRY TO CUT POSITIONS- Since I have SURVIVED so much tragedy right here in CT. I HAVE A LIST OF NAMES OF STATE EMPLOYEES THAT DO NOT PERFORM THEIR DUTIES ! TO THE BEST OF THEIR ABILITY ! DSS IS ALREADY OVERBURDENED AT LEAST AN HOUR WAIT TIME ON THE PHONE!!! HIS CUTTING PROGRAMS THAT THE ALREADY DISTRAUGHT NEED! I was born and raised in Ct AND RIGHT NOW I AM SOOOO EMBARRASSED THAT THIS IS MY STATE ! AFTER 30 YEARS OF MARRIAGE, 4 BEAUTIFUL KIDS - I BECAME A WIDOW DUE TO A VERY RARE APPENDIX CANCER ! THIS HAS SHATTERED LIFE AS WE KNEW IT! IM NOW

FIGHTING WELLS FARGO SINCE 2011 - IN FORECLOSURE DUE TO AN EQUITABLE ESTOPPEL ! i was gifted \$15 in food stamps for my 15 years son and I - then when he turned 16 the fed gov decided to cut my ss benefit - which then entitled us to \$225 in food stamps - yet I fight with everything that I am to save our home too ! and my family has been the victim/survivors of a 30 year old unsolved homicide and missing persons case- my mom- - she is not even a human being anymore -I had to turn her into a website ! mary badaracco.com I want to know when is the suffering in ct going to end!

THANK YOU FOR YOUR TIME !
